**Insurance & Financial Responsibility**

We contact your provider to identify your benefits as a courtesy to you, our patient and is NOT a guarantee of payment. **It is the individual policyholder's responsibility to know what is covered and not covered, to know your co-pay and/or your deductible balance.** Benefits are subject to change; secondary forms of insurance are not guaranteed to pay the remainder from primary. Know that if your insurance does not pay the entire balance, then the **total balance owed will be considered due and payable.** If your insurance company rejects your claim, or if they pay less than the total bill, **you are responsible for paying the balance in full.** Any durable medical equipment required will be self-pay.
